current year as the original estimate of Rs.1265/- had to be revised in accordance with the current schedule of rates. A revised estimate amounting to Rs.1160/- was accordingly received and sanctioned by the Board on 28-8-30 and orders were issued to entrust the work at once and get it done by the end of February 1931. But as the estimate had been revised and sanctioned and as the original contractor did not seem to be earnest in executing the Bond and completing the work in time fresh tenders were called for by the Engineer. Only one tender was received and that was at 12½ % above estimate rates.

2. Shiddapur is on the boundary of ghaut locality and the school site is within 2 furlongs of the specified boundary as per schedule. There is no water even for drinking after January in this locality and the place is highly malarious. Hence it was found that the work deserved the adoption of special rates and if ghaut rates were adopted the excess worked out to 12½% above. In these circumstances there was no other contractor who was willing to take up the work at lesser rates and hence the tender at 12½% above estimate rates was accepted as a special case and the work was entrusted at these rates.

3. A revised estimate amounting to Rs.1300/- necessitated by the acceptance of tender at 12½% above estimate rates has also been subsequently received and sanctioned by the Board. The work of the School building has been completed and finally paid for on 22-3-1931. The total expenditure incurred on the work is reported to be Rs.1191/- and this amount has been paid from the General Funds of the Taluk Board. Thus half of the expenditure has been met from the General Revenues of the Board as required in Para 1 of the G.O. first quoted above. A certificate to the effect that the expenditure has been actually incurred and that the work has been properly executed is herein enclosed.

4. I request, therefore, that the Government may be pleased to issue orders for the disbursement of a subsidy equal to half the amount of the expenditure incurred on the work i.e. a subsidy of Rs.596 -0 -0 to this Taluk Board. As the subsidy has to be

R.O. No. 614-B/31.

Station Madras, Dated the 16th April, 1931.

From (Name) A.G.GRIEVE, Esq., M.A., C.I.E.,

(Designation) AGDIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

In resubmitting herewith the papers referred to me for remarks in Government endorsement No.1359-A.1 dated 31-3-31, I have the honour to state as follows:

2. In G.O.No.1017 Law (Education) dated 10-5-29 a grant of Rs.633 was promised to the Taluk Board, Coondapur, representing half the net cost of construction of the Elementary School building at Shiddapur. The President now reports that the work has been executed and that the net cost of construction is Rs.1,191. He requests that half-grant of Rs.596/- may be sanctioned for payment. Since the request was made before the end of 1930-31 after completing the work, it is admissible.

Budget provision is not made with reference to the several works but a lump provision is made with reference to previous years' actuals.

3. No provision has been made in the Budget Estimate for 1931-32 for this scheme, as the sanctioned grant was payable in 1930-31; but the President's report regarding the completion of the work and the actual expenditure incurred was received too late for consideration in 1930-31. If Government are inclined to sanction the payment now, the expenditure is recommended to be debited to the appropriation of Rs.47,500/- under "31.K.Education-Primary-Grants to local bodies for Primar Education-k.A.6-Voted-Buildings" in the Budget Estimate for 1931-32.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.

ORDER.

Mis

No. 783, dated 9-5-1931.

The Govt. sanction the payment to the Taluk Board, Coondapur, of a subsidy of Rs. 595-8-0 (Rupees five hundred and ninety five and annas eight only) towards the construction of a building for the board elementary school at Siddapur for which a subsidy was promised in G.O. 1017 Edn. 31-3-1931.

2. The Ag. is requested to place the amount at the disposal of the taluk board. The President should present the necessary bill at the treasury for obtaining payment of the amount or getting it adjusted.
